We are writing to advise you that the office of Film and Literature Classification has classified this book as Objectionable.

Would you please arrange to withdraw from sale all copies of this title which you are currently holding and return them to the Penguin Distribution Centre. In addition, would you please also return to us all copies of the books entitled *Sexual Labyrinth* and *Close Encounters* (published in the Phoenix Mini book series) which contains material extracted from *Behind Closed Doors*. Full credit to your account will be issued on receipt of stocks.

Thank you for your prompt assistance in this matter.
